

specified time and place for a pre-hearing conference to consider: (1) The possibility of obtaining stipulations, admissions of facts and agreements to the introduction of documents, (2) the limitation of the number of expert witnesses, and (3) any other matters which may aid in the disposition of the proceedings.

(b) The administrative law judge shall issue an order which recites the action taken at the conference and the agreements made as to any of the matters considered, and which limits the issues for hearing to those not disposed of by admissions or agreements. Such order shall control the subsequent course of the proceeding before the administrative law judge unless modified for good cause, by subsequent order.

§ 4.431 Fixing of place and date for hearing; notice.

§ 4.432 Postponements.

(a) Postponements of hearings will not be allowed upon the request of any party or the Bureau except upon a showing of good cause and proper diligence. A request for a postponement must be served upon all parties to the proceeding and filed in the office of the administrative law judge at least 10 days prior to the date of the hearing. In no case will a request for postponement served or filed less than 10 days in advance of the hearing or made at the hearing be granted unless the party requesting it demonstrates that an extreme emergency occurred which could not have been anticipated and which justifies beyond question the granting of a postponement. In any such emergency, if time does not permit the filing of such request prior to the hearing, it may be made orally at the hearing.

(b) The request for a postponement must state in detail the reasons why a

postponement is necessary. If a request is based upon the absence of witnesses, it must state what the substance of the testimony of the absent witnesses would be. No postponement will be granted if the adverse party or parties file with the examiner within 5 days after the service of the request a statement admitting that the witnesses on account of whose absence the postponement is desired would, if present, testify as stated in the request. If time does not permit the filing of such statement prior to the hearing, it may be made orally at the hearing.

(c) Only one postponement will be allowed to a party on account of the absence of witnesses unless the party requesting a further postponement shall at the time apply for an order to take the testimony of the alleged absent witness by deposition.

§ 4.433 Authority of the administrative law judge.

The administrative law judge is vested with general authority to conduct the hearing in an orderly and judicial manner, including authority to subpoena witnesses and to take and cause depositions to be taken for the purpose of taking testimony but not for discovery in accordance with the Act of January 31, 1903 (32 Stat. 790; 43 U.S.C. 102 through 106), to administer oaths, to call and question witnesses, to make proposed findings of fact and to take such other actions in connection with the hearing as may be prescribed by the Board in referring the case for hearing. The issuance of subpoenas, the attendance of witnesses, and the taking of depositions shall be governed by §§ 4.423 and 4.26 of the general rules of subpart B of this part.

§ 4.434 Conduct of hearing.

So far as not inconsistent with the prehearing order, the examiner may seek to obtain stipulations as to material facts. Unless the administrative law judge directs otherwise, the appellant will present his evidence on the facts at issue following which the other parties and the Bureau of Land Management will present their evidence on such issues.
